

**GENERAL OPERATIVE**

We are currently looking to recruit a General Operative to work in our Wax Room.

**The Role**

Working as part of a small team, this role will involve the use of machinery and tools to produce wax patterns.

**Skills and Experience**

You must be able to work as part of a team and have a flexible approach to work. Previous experience of working in an engineering or manufacturing environment is desirable but not essential, as full training will be given.

This is a temporary position with the possibility of further employment on a temporary or permanent basis. Immediate start.
